Highly competitive rates from market leading insurers are provided as a matter of course, and our facilities extend to include:

- Blocks of flats
- Properties being refurbished

- Multi-tenure
- Unoccupied buildings
- High risk occupancies

Policy wordings are tailored to the needs of today's property owner with several important extensions in-built as standard.

We understand the need to work closely with our clients in this sector – there are many different types of portfolio ranging from single residential buy to let investments, blocks of flats, through to commercial, industrial and multi-location schedules.

Premium payment plans can be designed to suit individual preferences, to maximise cash flow and improve liquidity.

We advise on related exposures such as Directors & Officers Liability, Legal Expenses, Engineering inspection requirements and Legal Indemnities, to ensure that you have the right cover at the right price.
